PROCEEDINGS UNDER THE PACKERS AND STOCKYARDS ACT

Docket No. 863.—*In re Charles Russo*, New York, N. Y. On June 11, 1937, applicant filed an application for a license to engage in the business of buying and selling live poultry at 1611 Purdy Street, New York, N. Y. A hearing was held on July 20, and from the testimony adduced it appears that prior to that date the applicant had secured a license to cover his operations at 728 East Two Hundred and Fourteenth Street and that he desired to operate the business at 1611 Purdy Street as a branch. As the applicant now desires and intends to close the 1611 Purdy Street branch, the proceedings in connection with such application for license were dismissed on December 18.

Docket No. 868.—*In re Lawrence Live Poultry Co.*, Lawrence, Mass. The Secretary of Agriculture on July 2, 1937, issued an inquiry alleging that respondent had violated the Packers and Stockyards Act, in that it had used certain unfair, unjustly discriminatory, and deceptive practices and devices in connection with the buying of live poultry in commerce. A hearing was held on July 25, after which the examiner filed a report including tentative findings of fact and recommended order. He recommended that respondent's license be revoked. Respondent filed objections to the examiner's report. Oral argument based on such objections was heard by the Secretary on November 4. The Secretary on December 28 issued an order suspending the license of the respondent for a period of 90 days and ordered it to cease and desist from engaging in the business of buying and selling live poultry in interstate commerce for and during the full period of 90 days from the effective date of this order.

Docket No. 904.—*In re Nick Frattaroli*, Stamford, Conn. The Secretary of Agriculture on August 11, 1937, ordered that a hearing be held to allow the applicant an opportunity to show cause why his application for a license to buy, sell, and handle live poultry in commerce should not be denied. A hearing was held on October 4. From the evidence adduced it was found that the business of the applicant does not come within the jurisdiction of the Packers and Stockyards Act. Therefore, on December 13, the case was dismissed.

Docket No. 980.—*In re Drovers Livestock Commission Co.*, Wichita, Kans. The Secretary of Agriculture on November 6, 1937, issued an inquiry alleging that respondent had violated the Packers and Stockyards Act in that it had engaged in and used an unfair, unjustly discriminatory, and deceptive practice and device in connection with the buying and selling of livestock in commerce. On November 11 respondent acknowledged receipt of the inquiry, admitted the truth of the matters and things alleged, and waived a hearing thereon. On December 13 respondent was ordered to cease and desist from the unfair and deceptive practice and device set forth in the inquiry, and was suspended from registration as a market agency for 2 years.

Docket No. 983.—*In re McCall, Newburn & Joyce*, Pittsburgh, Pa. The Secretary of Agriculture on November 16, 1937, issued an inquiry alleging that respondent had violated the Packers and Stockyards Act in that it had engaged in and used an unfair, unjustly discriminatory, and deceptive practice and device in connection with the handling of livestock in commerce, and that it was insolvent in that it was unable to pay its debts as they became due in the usual course of business. On November 24 respondent acknowledged receipt of the inquiry, admitted the truth of the matters and things therein alleged, and waived a hearing thereon. On December 13 respondent was ordered to cease and desist from the unfair, unjustly discriminatory, and deceptive practice and device set forth in the inquiry, and was suspended from registration as a market agency for 18 months.

Docket No. 1001.—*In re Newark Live Poultry Co.*, Newark, N. J. The Acting Secretary of Agriculture on November 22, 1937, issued an inquiry alleging that respondent had violated the Packers and Stockyards Act in that it had used certain unfair, unjustly discriminatory, and deceptive practices and devices in connection with the sale of live poultry in commerce. As the respondent has satisfactorily explained the matters charged against it, the case was dismissed on December 18.
